

MORE POWER – WITH YOU!

employee prototyping (f/m/d)

for the production of battery systems

Smart Battery Solutions GmbH is an innovative company based in Kleinostheim, Germany. We develop and produce intelligent accumulator systems for many applications such as emergency systems, cordless screwdrivers, medical technology, e-bikes or electric vehicles. Many years of experience, reliability and flexibility are among our strengths. Our experienced and motivated team guarantees us a decisive advantage over our competitors. Decide for us and take part in our common success.

WE OFFER YOU:

- A secure job in a fast-growing market
- Option of management responsibility in production
- Varied work
- A social and employee-oriented employer
- Independent work
- full-time, indefinite employment

YOU OFFER US:

- Training in a craft or industrial environment
- Good skills in the assembly of electrical/electromechanical components
- Team spirit
- Motivation to jointly advance a young company
- Independent and clean work
- Safe handling of MS-Office products

YOUR TASKS:

- Assembly of battery systems
- You work hand in hand with the development
- Testing and documentation of the prototypes
- Soldering, gluing, welding
- Checking the battery system
- Calibration and testing of batteries from small and pre-series
