

MORE POWER – WITH YOU!

Head of Finance/Controlling (f/m/d)

Smart Battery Solutions GmbH (SBS) is a young, fast-growing and highly innovative company in the battery industry with currently almost 100 employees. We are owner-managed, with a private equity investment to support the planned, significantly above-average growth.

In addition to standard products, the product portfolio also includes customized lithium-ion batteries for special applications as well as the necessary software solutions for battery management and user interface and engineering services for industrial and commercial products and solutions. Customer industries include electrically powered mobility and transport solutions, sporting goods such as e-bikes, watercraft, drones, and industrial systems such as driverless transport systems, power tools, and warehouse automation.

Our repeated successes as growth champion in a study by Focus and Statista show that it pays to always think one step ahead.

In the course of the further development of our management team, we are looking for a

Head of Finance & Controlling (f/w/d).

YOUR TASKS:

- Responsibility and personnel management of the Controlling and Accounting departments
- Proactive support and sparring partner for the management in the commercial, especially sales, cost, earnings and cash management of the company
- Execution of budget preparation, liquidity planning as well as investment controlling and monthly reporting
- Optimizing working capital and ensuring rolling cash management
- Controlling and ensuring the proper and timely preparation of monthly, quarterly and annual financial statements
- Further development of management reporting and establishment of controlling systems including an integrated planning and reporting tool Carrying out inventory valuation
- Further development of product cost optimization and quotation calculations Proactive cooperation with our private equity partner on all relevant financial and growth topics Contact person for auditors, banks, insurance companies and tax firms

MORE POWER – WITH YOU!

YOU OFFER US:

Professional qualification:

- Successfully completed degree in business administration with specialization in controlling or accounting or comparable degree
- Several years of professional experience in a comparable function, preferably in a medium-sized manufacturing company (preferably also from the electrical/electronics sector)
- Ideally first management experience Solid knowledge of accounting and the corresponding accounting regulations according to HGB and tax law
- Experience in the further development of ERP systems as well as secure user skills in the common MS-Office programs
- Experience in communication with banks and other financing partners as well as ideally in dealing with private equity shareholders

Personal skills and competencies:

- Convincing, proactive personality with a confident, sovereign appearance
- Strategic and entrepreneurial thinking Well-developed analytical skills combined with a strong "hands-on" mentality
- High level of problem-solving skills and willingness to implement solutions
- Strong communication and presentation skills in German and English
- Dynamic, strategically thinking, service-oriented personality, but also able to define and sustainably implement clear cross-company standards
- Great enthusiasm and interest in working in a highly dynamic and rapidly growing technology company and actively shaping the further growth path as part of the team

WE OFFER YOU:

- A secure job in a promising growth market
- Exciting and varied activities
- The opportunity to develop yourself together with the company
- Many employee benefits, such as free drinks, fresh fruit, voucher card after the probationary period
- Start-up atmosphere with "you-culture", short communication channels and helpful colleagues

Does that sound like you? - Then become part of our fast-growing company and apply!

Please send us only application documents in pdf format and let us know your salary expectations and your earliest possible start date.
