

Head (m/f/d) Project Management Product Development and Deputy Head of Development

Smart Battery Solutions GmbH (SBS) is a young, fast-growing, highly innovative, owner-managed company in the battery industry with currently almost 100 employees. We develop and produce customer-specific lithium-ion batteries and standard solutions as well as the necessary battery management systems. Customer industries are electric mobility solutions such as e-bikes, water vehicles, drones, industrial systems such as driverless transport systems, power tools or warehouse automation and mobile robot systems.

Our repeated successes as a growth champion in a study by Focus and Statista show that it pays to always think one step ahead.

In the course of the further development of our management team, we are looking for the following person for the Kleinostheim site
