

MORE POWER – WITH YOU!

Employee (f/m/d) Prototyping / Service

Smart Battery Solutions GmbH is an innovative company based in Kleinostheim. We develop and produce intelligent battery systems for many applications, such as emergency systems, cordless screwdrivers, medical technology, e-bikes and electric vehicles.

Our repeated success as a growth champion in a study by Focus and Statista shows that it pays to always think one step ahead.

Choose us and write the future success story of Smart Battery Solutions GmbH together with us!

YOURS TASKS:

- Assembly of prototypes as well as commissioning of battery systems, incl. testing and calibration
- Independent assembly of prototypes, modules and systems (mechanical and electrical)
- Testing of components from suppliers prior to assembly
- Documentation (work plans, work instructions, error evaluations)
- Fault diagnosis, repair and analysis of battery systems
- Working according to drawings and circuit diagrams as well as independent work planning
- Close cooperation with the development department

YOU OFFER US:

- Completed education in the fields of electrical engineering, mechatronics or comparable
- At least 3 years of work experience
- Knowledge in reading technical drawings, circuit diagrams and schematics
- Great skill in assembling electrical/electromechanical assemblies
- Ideally experience in SMD soldering technology
- Independent and clean work
- High motivation to grow together with our company

WE OFFER YOU:

- A secure job in a promising growth market
- Exciting and varied activities
- The opportunity to develop yourself together with the company
- Many employee benefits, such as free drinks, fresh fruit, voucher card after the probationary period
- Start-up atmosphere with "you-culture", short communication channels and helpful colleagues

Does that sound like you? - Then become part of our fast-growing company and apply!

Please send us only application documents in pdf format and let us know your salary expectations and your earliest possible start date.
