

# MORE POWER – WITH YOU!

## Line Manager for the production of our battery systems (f/m/d)

Smart Battery Solutions GmbH is an innovative company based in Kleinostheim. We develop and produce intelligent battery systems for many applications, such as emergency systems, cordless screwdrivers, medical technology, e-bikes and electric vehicles.

Our repeated success as a growth champion in a study by Focus and Statista shows that it pays to always think one step ahead.

Choose us and write the future success story of Smart Battery Solutions GmbH together with us!

### YOUR TASKS:

- Technical responsibility for production lines as well as technical leadership of the assigned employees
- Setting up, retooling and optimizing the production lines
- Instructing employees in the production processes (settings on screwdriving systems and welding machines, checking tools, etc.)
- Analysis and elimination of production malfunctions
- Close cooperation with interface departments (series support, QA, warehouse, sales and purchasing)

Does that sound like you? - Then become part of our fast-growing company and apply!

Please send us only application documents in pdf format and let us know your salary expectations and your earliest possible start date.

### YOU OFFER US:

- Completed training in the fields of electrical engineering, mechatronics or similar
- At least 3 years of professional experience in a production environment, ideally in the field of battery systems
- Craftsmanship in connection technology (bonding, soldering, welding)
- Understanding of the assembly of electrical/electromechanical assemblies
- Independent and clean working style
- High motivation to grow together with our company

### WE OFFER YOU:

- A secure job in a promising growth market
- Exciting and varied activities
- The opportunity to develop yourself together with the company
- Many employee benefits, such as free drinks, fresh fruit, voucher card after the probationary period
- Start-up atmosphere with "you-culture", short communication channels and helpful colleagues
