

# MORE POWER – WITH YOU!

## Employee Quality Assurance (f/m/d)

Smart Battery Solutions GmbH is an innovative company based in Kleinostheim. We develop and produce intelligent battery systems for many applications, such as emergency systems, cordless screwdrivers, medical technology, e-bikes and electric vehicles.

Our repeated successes as a growth champion in a study by Focus and Statista show that it pays to always think one step ahead.

Choose us and write the success story of Smart Battery Solutions GmbH together with us!

### YOUR TASKS:

- Carrying out optical, mechanical and electrical measurement and test procedures as well as functional checks
- Preparation of test instructions and test reports as well as documentation of the inspections carried out
- Blocking of rejected parts and products, monitoring and testing of defect rectification at the supplier's premises
- Creation of initial sample test reports
- Management and monitoring of measuring and testing equipment
- Incoming goods inspection (with the help of a 2-D measuring projector and 3-D scanner)
- Complaint processing and creation of 8D reports
- Participation in the compliance with quality standards
- Moderation of FMEAs
- Accompaniment of audits (internal/external)

### YOU OFFER US:

- A completed technical education, ideally further training as a state-certified technician
- Several years of professional experience in quality assurance of electrical components
- Ideally further training as QMF/ QMB
- Good command of written and spoken English
- High degree of reliability, strong sense of responsibility, ability to act on one's own responsibility as well as flexibility and creativity

### WE OFFER YOU:

- A secure job in a promising growth market
- Exciting and varied activities
- The opportunity to develop yourself together with the company
- Many employee benefits, such as free drinks, fresh fruit, voucher card after the probationary period
- Start-up atmosphere with "you culture", short communication channels and helpful colleagues
