

# MORE POWER- WITH YOU!

**MORE POWER FOR YOUR LIFE -**

**MORE POWER FOR OUR COMPANY!**

"Power wherever you want" - this is not just a slogan of Smart Battery Solutions GmbH from Kleinostheim. It is the guiding principle of the entire workforce and our four managing directors. Everything we think and do revolves around the development and production of individual, high-quality battery solutions. Our customers are active in exciting segments such as last mile mobility concepts, e-bikes or e-cargo bikes, water sports applications, mobile robotics and other interesting high-end industries.

Our repeated successes as a "Growth Champion" in a study by Focus and Statista as well as our awards as "Bavaria's Best 50" award winner and as "Top Innovator 2022" (TOP 100) show that it pays to always think one step ahead.

In the course of our company's growth we are looking for you as a

**Production employee (f/w/d)  
for the production of battery systems**

**YOUR TASKS:**

- You manufacture high-quality battery systems as well as the associated equipment (e.g. chargers)
- You produce our battery packs according to specified workflows (bonding, soldering and welding)
- You select the right machines, tools, production aids and their correct settings
- You are responsible for quality assurance in the ongoing production process and independently carry out the final "end of line" inspection

# MORE POWER- WITH YOU!

## YOU OFFER US:

- You have already gained experience in the production of battery systems and the associated equipment
- You are technically skilled and are already familiar with joining techniques such as gluing, soldering or welding
- You have a good command of written and spoken German
- You are familiar with the PC, e.g. with MS Word
- You have a good technical understanding and a quick grasp of things
- You are reliable and have a high quality awareness
- You are flexible and willing to work in our two-shift system

## WE OFFER YOU:

- Good work should be rewarded appropriately - after the probationary period you will receive a voucher card with a monthly top-up of 50 EUR net; you can benefit from discount campaigns of our "Corporate Benefits" program and you will receive a 20% contribution to a company pension scheme
- We want to celebrate our successes - we do this with a summer party and a Christmas party and in case of a good business result we will involve you with a special bonus
- For us, continuous development is crucial to our success - that's why we also encourage your personal development.
- A healthy working environment is important to us - you can carry out your work in our air-conditioned buildings, alternating between standing and sitting workplaces.
- To make our employees feel comfortable, we offer culinary highlights such as our coffee with "free refill guarantee" and the popular "kebab day".

Does that sound like you? - Then become part of our fast-growing company and apply!

Please send us only application documents in pdf format and let us know your salary expectations and your earliest possible start date.
